#### COMPETITION FORMAT

The Royal Adelaide Show Flyball Competition will be either Round Robin format or Handicap Racing. This is dependent on the seed times submitted by entered teams. The break out rule will apply. In case of a combined division round robin, the breakout that is relevant to the team's division will apply.

- Points are awarded for each race (i.e. a team must win two out of three heats OR three out of five heats to win the race and hence the race points). The points will be tallied, and the team with the most race points will win the division.
- In the case of competition points being equal, the tie will be resolved as follows:
  - a) Count back based first on head to head RACE wins during competition, where more than two teams are tied and count back for each team shall be the total RACE wins scored against all of the teams that are tied (the combined number of wins).
  - b) If two teams are still even the teams are compared on head to head heats.
  - c) If two teams are still even - then fastest heat time head to head decides the winner.

**MEASURING**

At the discretion of the team, dogs jumping less than 14 inches may be measured by the measuring Judge and a second official (Judge, AFA Representative or an experienced official appointed by the accredited AFA Representative) during times designated by the host club. A dog must be entered in the competition in order to have its height recorded on a Height Card Application (Form C.8).

**BREAK OUT RULE**

The Break Out time will be one (1) second faster than the fastest Division seed time, unless a declared time has been submitted. In which case that Team will be subjected to their own Break Out time and not the Division Break Out time. Excluding Division 1 who do not have a breakout time.

**BREAKOUTS**

When the first breakout occurs, the time is recorded on the timesheet with B/O written next to the time and the heat is awarded to the team that did not break out. The break out team gains one point for a clean run (4 dogs) and the opposing team gains one title point for a clean run (4 dogs) and one title point for the win. This is the same for the next two breakouts by the same team.

After the third breakout, the team forfeits the right to place in the competition but does not forfeit the right to gain an AFA title point if they complete a clean heat with 4 dogs. A team that has broken three times in a competition can only win a maximum of one title point per heat completed cleanly with 4 dogs in the following heats. The breakout team is unable to win any further heats during this competition.

If the opposing team finishes the heat they will be awarded one title point for a clean run (4 dogs) and an additional title point for a win. If the team does not have a clean run with 4 dogs they gain no AFA points for that heat. When the timesheet is calculated for a round robin racing format, the round robin points will be recorded only on the races that did not involve the team that broke out, for the entire division. A team that has already broken out three times in a preceding round robin format cannot race in either single or double elimination racing to decide the placing's of the competitions. *(18 January, 2008)*

**POINTS AND INTERFERENCE**

If a team is interfered with, the team gets one bonus title point for the win and no points for the completion. *(16 January, 2006)*

**Class 1 - Class for Flyball Competition.**

# I SPONSOR A Royal Adelaide Show PRIZE

*You can too! For as little as \$50.*

Sponsorship is an integral part of the Royal Adelaide Show – without it, we wouldn't be able to run the 60-plus competitive sections that attract over 30,000 entries each year.

However, it isn't just large businesses that get behind the Show – hundreds of small businesses, clubs and individuals sponsor prizes in our competitive sections.

Royal Show general manager Michelle Hocking said the Show had strong relationships with many South Australian businesses, all of whom play a vital role in ensuring the continued success of our State's largest event.

"From our presenting partner sponsor IGA to premier partners Channel Seven, Coca-Cola and BankSA, right through to small businesses who sponsor particular prizes or awards, the support from the South Australian community is wonderful," she said.

"However, in addition to the many businesses who support the Show, there are lots of community groups and individuals who sponsor the Show's competitive section.

According to Michelle, individuals, community groups and businesses can sponsor a prize from as little as \$50.

"The prize can be in the form of cash, a medallion, trophy, voucher or product," she said. "You also get to name the prize after your business, group or even yourself. You can also dedicate it to a loved one or name it in memory of someone special."

With competitions ranging from flowers, cuddly toys and painting to dragsters, woodwork and reptiles, there really is a section for everyone.

"Perhaps your mum baked the best cakes, maybe your family loves a particular breed of dog, or perhaps you simply love chocolate," Michelle said.

"For example, the RA&HS chief executive has a passion for chocolate and therefore sponsors the Champion Chocolate prize; our sponsorship manager loves cats and names a prize after her pet cat Felice and our venue manager has naming rights to the Champion Turkey!

"Our competitive sections are the lifeblood of the Show and sponsoring a prize is a fun way to get involved."

“ I sponsor a prize at the Royal Adelaide Show to return something to the Society i.e. Dairy Goat Society of Australia and the RA&HS; as both have offered me opportunity to travel Australia as a Dairy Goat Judge, meeting great friends and having many unique experiences. My first Royal Show was in 1960 and I was recently awarded a 50 year continuous membership recognition badge with the Dairy Goat Society of Australia both of which I am extremely proud. ”
