

Life Membership Nomination for 2014 AGM – Ian Gauntlett

We the undersigned members wish to nominate Ian Gauntlett for Life membership of the AFA. Ian first became involved with flyball around 1999. After watching flyball, Ian volunteered as a timekeeper for a number of competitions including the 2000 Nationals held at the Melbourne showgrounds.

Ian then became directly involved as a competitor with his dog Ezri, her first competition being the 2001 Wonthaggi competition. He continued racing with Ezri until she retired in 2012.

Ian joined the committee in 2001, initially as Secretary and then as Treasurer in the following two years. He undertook judge training in 2002 and has been a judge ever since, judging at many competitions including three National championships. He is currently a Senior Judge with well over 100 judging assignments.

Ian again joined the committee in 2010, initially as a committee member, then as Vice-President and the last two years he has been President of the AFA. During this time, he has sought to make flyball an enjoyable sport for all competitors. He has also been an active member of the Rules sub-committee while on the committee.

Ian's knowledge and friendliness with other competitors is a true testament to his devotion to the sport of flyball. His nomination for Life membership is highly supported.
