25th Flyball Nationals – Canberra 2023

WELCOME

Welcome to the 25th Australian Flyball Association's National Championships.

A total of 49 teams will be competing in nationals this year, with 44 teams in Regular Class and 5 teams in Open Class. For the first time, Regular and Open class will run concurrently over the two days of racing. The interest in this year's event is a fantastic sign that Flyball is coming back stronger than ever after the challenges of the last few years.

After receiving no expressions of interest for this year's nationals, the AFA elected to host the event to ensure another year was not missed. The AFA Committee encourages clubs to consider hosting nationals in future years, it's a challenging but very rewarding experience. Financial support is available from the AFA for any clubs wishing to host the event in future.

This year the Organising Committee is like the United Nations, with representatives from different Clubs across States/Territories, who have come together to ensure a successful event, I thank them for their commitment and time, without such volunteers, events like these wouldn't happen.

I wish to acknowledge the Ngunnawal people as traditional custodians of the land we are meeting on and recognise any other people or families with connection to the lands of the ACT and region. I wish to acknowledge and respect their continuing culture and the contribution they make to the life of this city and this region. I would also like to acknowledge and welcome other First Nations people who may be attending the event.

An event like nationals can only run with support from many people and organisations, as such, I'd like to thank Accell Therapy for being this year's ring sponsor, as well As 4Legs pet food for sponsoring our competition prizes. I would also like to extend our thanks to Belconnen Dog Obedience Club, all the stall holders, the divisional sponsors, volunteer helpers and all our Officials.

I feel it's important to remind competitors to treat each other and the officials with respect and demonstrate good sportsmanship. I wish everyone safe travels on their journey and look forward to seeing everyone at the event. Good luck to all the teams entered. Run fast, run clean and may the best team's win.

Drew Harrison

AFA President

THANKS

An event of this nature does not happen without the dedication of people who come together with a single focus to deliver an outcome.

This year's Nationals is special in that it has brought AFA members together from different clubs and States/Territories to plan and run the Nationals event for AFA members.

The AFA sincerely thanks the organising committee for their contributions and efforts to ensure we had a Nationals this year.
