We would like to thank the following officials for making this

AFA Rep: Drew Harrison

Competition Organiser: Jolien Van Der Knoop

We would like to take the opportunity to thank Robyn Addie for coming down from Sydney to be a judge, and everyone at Frankston Flyball and Obedience Club for helping host today's competition. A special thank you to our awesome Vic flyball community - without your help and positive camaraderie, we would not all be here today. Onwards and upwards!

*We acknowledge that we gather and are racing on the lands of the Bunurong people of the Kulin Nation. We pay respect to elders past and present, and extend that respect to any First Nations People who attend our competition today.*

*This AFA sectioned event will be run in accordance with the Rules & Policies of the Australian Flyball Association. We will also be using the “Count Back Rule” - Count back based first on head-to-head race wins during competition. Where more than two teams are tied, the count back for each team shall be the total race wins scored against all the teams that are tied (the combination of wins); if the teams are still tied, then the fastest heat time head-to-head decides the winner.*
