RULES & REGULATIONS

All racing is conducted under the rules and regulations of the Australian Flyball Association Inc. In the event of a division tie, placings will be decided by countback as per AFA rules.

Change Over Time – 2 minutes (90 seconds after lunch). The judge will indicate when there are 30 seconds remaining. If a team is ready to race prior to the 2 minutes, please indicate this to the judge. The judge may forfeit a team if they are not ready on time.

Team Captains – Please ensure all dogs are circled on your timesheets before your race and that all information is correct prior to signing off at the completion of racing. If dogs are not circled, they will not receive points. Any dog changes must be made **before** racing starts.

Stewarding - All teams are asked to supply stewards promptly to ensure the smooth, quick running of the race meeting.

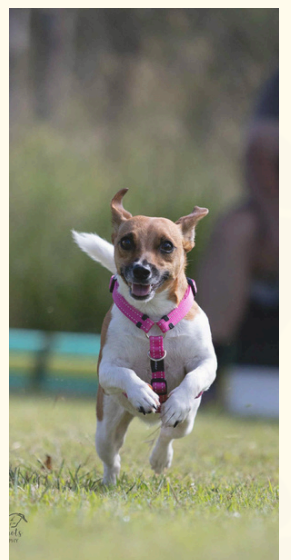

Dogs Under Control – Dogs are not permitted off lead anywhere on the RSPCA grounds unless in the ring, and must remain on lead while on Field 1.

DOGS MUST BE NOT BE TOILETED NEAR THE WAR MEMORIAL

Parking – All vehicles must be parked in the gravel car park. Vehicles may stop briefly near the drop-off area to unload equipment, but must then be moved to the designated parking area.

GROUNDS - Please keep the field clean, using the bins provided and always pick up after your dog.

Alcohol- No alcohol is to be consumed during the race meeting.
