GOING DARK IN 2026 (RETIREES)

REXINGTON

To my fellow fur friends,
I remember my first flyball comp 10 years ago. Over the years, I learned how to hit the box just right, how to ignore other dogs in the other land and to trust my team.
But lately my body aches a little bit and I don't see very good.
I don't bounce around like the young ones these days. We dogs don't think about retirement the way our humans do.
We don't count years of titles.
We think about moments:
The road trips
The treats
The friends we make
The way our humans hug us after every race.
It is now my time to lie ringside and watch my human train the next little rocket.
That's it for me. Signing off...
Rexington

OLLIE

Ollie became an official flyball dog with his first race in 2021 and has since achieved many titles and memories.

His greatest highlight would be participating in the 2024 Flyball Nationals and becoming part of the first QLD team to achieve under 17s.

At 9 years old it's now time to trade the lanes for the couch and enjoy a well-earned retirement, filled with many adventures. Ready, set, go!
