# GENERAL INFORMATION

All racing is conducted under the Rules and Regulations of the Australian Flyball Association Inc. In the event of a division tie, placings will be decided by countback as per the AFA Rules.

**Change over time : 90 seconds** The judge will indicate when there is 30 seconds remaining. If a team is ready to race prior to the 90 seconds, please indicate this to the judge. The judge may forfeit a team if they are not ready on time.

**Team captains** – Please ensure all dogs are circled on your timesheets before your race, and that the information is correct prior to signing off at the completion of racing. If dogs aren't circled, they will not receive points. Any dog changes must be made before racing starts.

**Stewarding** – All teams are asked to supply stewards promptly to ensure the smooth, quick running of the race meeting.

**Dogs under control** – Please keep dogs under control at all times. There is an off lead dog area available. Please keep dogs on lead, unless in the ring.

**Grounds** – Please keep the surrounding areas clean, using the bins provided and always pick up after your dog.
