Changeover Times

Teams will have **two minutes** from the end of the proceeding race to have their box and jumps set up and be ready to race. The judge will indicate when there is thirty seconds remaining. The judge may forfeit a team if they are not ready on time.

Should teams be ready to race prior to the two minutes please indicate this to the Judge.

Breaks

Due to the back to backs and only two races between many races for teams, a lot of short breaks have been added to the running order. These have been made at 7 minutes to allow beginners in the ring time to get in and out and still have their full 5 minutes. Beginners are asked to be ready to enter the ring as soon as the race prior to the break is finished to ensure they take advantage of the full time allotted. Racing will commence again as soon as the 7 minutes expires.
