“Good Luck and Good Racing”

Zack – CRN 1140C

Owned, loved, trained and handled by Jeanette Sleebs. Zack started his flyball career at about 3 years old. His first meeting was 'On the Fly' Sept. 2010. During his flyball days he earned 2543 points, gained one triple zero and best time of about 4.9. After 9 years of solid racing in many competitions, Jeanette decided to retire Zack at the Ballarat Santa Ball, Dec. 2019. Zack loved his flyball racing and now he will be the number one cheerleader for his mates at Bass Coast.

General Information

This event is sanctioned by the Australian Flyball Association Inc. As such, it will be run in accordance with the "Rules and Policies of the Australian Flyball Association Inc."

GENERAL

- Apart from dogs that are involved in the current race, all dogs must be held effectively (either on lead, staked in secure ground or crated). No dog is to be tied to the ring (either in or out of the ring).
- Bitches "in season" are not permitted on the grounds.
- Any dog that is considered unfit for racing, either by a Veterinarian or Judge, will be excused from the meeting.

CODE OF CONDUCT

Code of Ethics

Cooperation and good sportsmanship should not be recognised in passive observance, but as a way of life in training and competition. Participants shall, at all times, be courteous and friendly. At no time should they show displeasure with a dog, Judge, exhibitor, AFA representative, sponsor, host or spectator in or out of the ring. Never conduct yourself in a manner that would bring discredit to the sport of flyball. As a participant, whether it be exhibitor, trainer, Judge, host or AFA representative, you typify the sport of flyball.

Misconduct

Misconduct shall include, but not be limited to, abusive or foul language, demonstration of dissatisfaction with a Judge's decision, inhumane treatment of a dog, demonstration of poor sportsmanship, wilful violation of the rules with intent to gain an unfair advantage or any other behaviour that would leave a spectator or exhibitor with an unfavourable opinion of the sport of flyball.

Protest

Should a protest be lodged at a meeting, that protest should be lodged before the commencement of the next heat. Further protests shall be submitted in writing to the Australian Flyball Association Inc. for appropriate action.

Signal Cards – what do they mean?

The Judge will hold up a coloured (yellow, red or black) to inform an AFA member of inappropriate behaviour. The AFA member and Team Captain will be informed of the reason for the infringement being applied and a report will be submitted by the Judge to the AFA Committee within 48 hours of the competition for noting on the AFA member's record.

Yellow Card

– indicates a formal "caution" for any of the following offences:

- a) Not being courteous and friendly in manner.
- b) Purposely delaying the restart of a heat.
- c) For showing displeasure with a dog, a Judge, Stewards, AFA Representative, host club, sponsor, other AFA member or spectator, in or out of the ring. This includes dissent by word or actions.
- d) Demonstration of poor sportsmanship.
- e) For entering the ring to set up for a new race before the Judge has declared the previous race.
- f) First offence for interference.

Red Card

- indicates to an AFA member that they or their dog are to be "sent off" for 3 heats for any of the following offences:

- a) Any behaviour or altercation that would leave a spectator or exhibitor with an unfavourable opinion of the sport of flyball.
- b) Mistreatment of a dog. (Includes any unreasonable treatment short of violence that causes dog to display obvious and sustained distress).
- c) Abusive or foul language.
- d) Demonstration of dissatisfaction with a Judge's decision. This includes approaching stewards or timekeepers to question them about the decision.
- e) A red card will also represent a second incident of any offence listed under yellow card.

Black Card

- indicates to the AFA member that they or their dog is to be excused from the remainder of the meeting for any of the following offences:

- a) Willful violation of the rules with the intent to gain an unfair advantage.
- b) Aggression whether it be between dogs or handlers. It will also include a dog that is suspected of aggression.
- c) Inhumane treatment of a dog (includes racing a dog under 12 months of age). Whilst carding for racing a dog under 12 months of age is a penalty against the handler the dog will be dismissed from the meeting and all heats run with the dog will be forfeited.
- d) A black card is also used for a third incident of any offence listed under the yellow card and a second incident under the red card.

Note:

Black Card offences for member misbehaviour are serious offences that could result in disciplinary action under the AFA Constitution.

Black Card offences for Dog Aggression will result in the dog being automatically excluded from competition racing until the AFA Committee has made a decision about disciplinary action.

Competition points are awarded for each race (ie a team must win 2 out of the 3 OR 3 out of the 5 heats raced to win the race and hence the points) on the following basis:

WIN-2 points TIE-1 point LOSS-0 points

In the case of the competition points being equal at the completion of the meeting, a **COUNTBACK** will occur to determine placing.

AFA COUNTBACK RULE

Countback based first on head to head RACE wins during competition (where more than two teams are tied the count back for each team shall be the total RACE wins scored against all of the teams that are tied (the combined number of wins)); if two teams are still even the teams are compared on head to head heats; if two teams are still even - then fastest heat time head to head decides the winner.

CHANGEOVER TIME

A 90 second changeover time applies for this meeting.

From the time the winner of the last heat in a race is declared by the Judge and the flag is raised in the centre of the ring, teams will have this time to set up their box, adjust jumps to the correct height and give dogs some practice prior to the start of the next race. The Judge will give a 30 second warning. If a team is ready to race within this time, please indicate such to the Judge.

If a team is not ready to race within a reasonable time, the heat will be forfeited and the win awarded to the opposing team. are compared on head to head heats; if two teams are still even – then fastest heat time head to head decides the winner.
