WELCOME

Welcome everyone to our 2nd Flyball Comp (the last one was held at the Maryborough Show in 2013 – then they changed their show days back to Thursday and Friday!)

I hope you all have an enjoyable and successful weekend. Just a few things to bring to your notice.

- 1) Firstly, the speed limit on the grounds is strictly 20kms
- 2) When the comp is in progress the dogs need to be restrained on a lead or crated at all times
- 3) Prior to the comp starting and after completion there is plenty of room to exercise your dogs on the grounds at the back and for the brave the dam is a real draw card and full to capacity
- 4) Please pick up after your dogs - there will be a designated 'DOG POO ONLY 🐞' bin provided
- 5) For those camping on the grounds - I will be setting up a generator at the big shed before I leave and that will give you lighting in the big shed and the undercover area. Last one to go to bed for the night can turn it off please

TOILETS

There is a bathroom in the big shed (unisex) and next to the shed is a smaller shed with a few steps up into it with two toilets and two showers (for the ladies).

There is also a latrine for the men next to these amenities.

CANTEEN

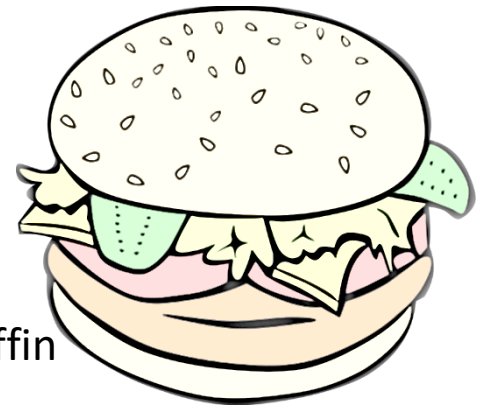

The canteen is located next to the big shed and will be serving breakfast from 7.00am and lunch at our designated lunch time break.

A big thank you to the officials of the Maryborough Aeromodellers Club for agreeing to open their canteen for the weekend to keep us well fed and I hope you will support their efforts.

For anyone wanting tea – if you drive into Granville up to the traffic lights (4kms) there is the Granville Pub on your right and they have just recently reopened their restaurant and from what I have read on Facebook they have very good reviews.

There is also the Granville Take Away Shop and a Spar Shop.
