

Welcome To our Paws for a Cause Flyball Race Meet

Welcome Everyone!

Thank you for attending our Paws for a Cause RSPCA Fund raiser for 2021!

This is our annual event where we thank the RSPCA for the work they do and for working with us at the Flyball Arena. We ask all competitors to donate something to help make the dogs and cats more comfortable while they wait for their forever families to come and fall in love with them.

Please give generously to this great cause.

We have nine teams competing today in three divisions.

Two teams we welcome especially to the RSPCA Wacol Undercover Area – All Systems GO from a new club here in Qld - Game On

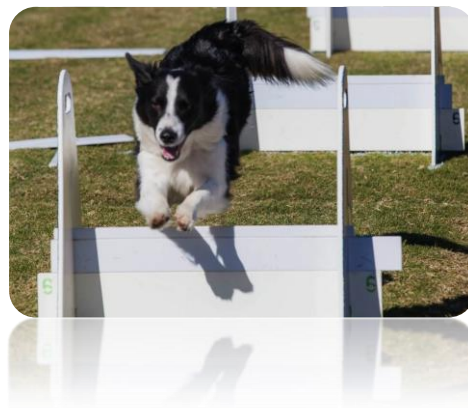

Also Hot Sauce from Orange Krush – new to racing at this venue.

Welcome to both teams we hope you enjoy your day.

We have 30 beginners working in the ring during the break and 4 pairs and 6 singles entries all new to racing.

Good luck everyone.

Thanks to Zenify Pets and the RSPCA our teams go home today with a little something.

Thank you to our officials –

Areas for our use –

Field one - The racing ring will be set up on field one (grass area)

This is a fund raiser. By racing on the grass we saving the cost of the mat levy. This allows us to pass on more funds to the RSPCA.

Undercover area - You may set up your crates and chairs etc undercover – yes that's right – no need to bring the gazebo! Enter this area from the road side – not through field one. Please keep a clearway from the road side of the arena through to both the gates to the field for easy access for teams and in the case of an emergency.

Field two - The field behind the kitchen and amenities (field two) is for toileting your dogs. This is **not** for off lead exercise. Access this field from the gate in the middle of the back fence line of field one.

The gravel carpark – please leave the car parking area closest to the ring clear for spectators. By all means unpack your car by walking your equipment from this carpark, but, then please move your car to the gravel carpark.

Areas Out of bounds –

- **Field three** (the small field on the other side of Field two). The shelter staff will work from this area for the day allowing us the extra room in field two. Please show your appreciation by staying away from the fence line when they are walking the shelter dogs and by not allowing your dogs to run free.
- **The War Memorial area** – Stay within Field 1, 2 and the undercover area please
- **The sensory walk** – out of bounds at all times
- **The carpark directly in front of the field and undercover area** – for unpacking your car but then move the cars to the gravel carpark
- **The side road near the sensory walk and the undercover area** – no parking in this area.

Race Format:

Singles and Pairs racing –

- These events are classed as demonstration races or training in the ring.
- Just like beginners in the ring, you may have helpers join you.
- The format – three races of three heats.
- A fence will be erected down the centre of the ring for each block of singles and pairs races.
- Singles - The jump height may be set lower than the measured jump height for your dog i.e. 7" minimum
- Pairs – The jump height may be set at lower than the measured jump height for the smallest dog in the pair. i.e. 7' minimum

Beginners in the Ring –
