## RACING FORMAT

with Division 2 handicap

**Open (Handicapped):** 8 races per day /  
1 round = best of 5 heats / 1 round = 3 heats

The judge will indicate when there is 30 seconds remaining. If a team is ready to race prior to the 2 minutes, please indicate this to the judge. The judge may forfeit a team if they are not ready on time.

## GENERAL INFORMATION

### Team captains

Please ensure that all timesheet information is correct prior to signing off at the completion of racing.

### Stewards

The dedicated Nationals stewards will be in attendance, however if called please provide a team member to ensure racing progresses in a timely manner.

### Dogs under control

Members are to ensure their dogs are under control at all times. Please ensure your dogs are on lead at all time, unless in the ring or in their crates. **NO DOGS ARE TO BE OFF-LEAD AT ANY TIME WITHIN THE RSPCA GROUNDS.** This includes the field where the gazebos are located and the hill near the War Memorial.

### Grounds

Please keep the grounds clean using the bins provided, and pick up after your dogs at all times.

## IMPORTANT CAR PARKING INFORMATION

All participants are asked to review the maps available on the race meet page and park in the Vesco car park across the road on both days.

During the 'bump in' times on both days you are allowed to enter the RSPCA grounds, follow the driveway around past the undercover area, drop off your equipment at/near the entrance gate to Field 2, then drive out of the RSPCA grounds and park at Vesco.

**Team equipment can be uploaded in the loading bay and then after you return and are all set up with your gazebos etc we will all jump in and help move these items to the holding area. This will be after the bump in time is completed.**

Please ensure you unload your equipment from your vehicle in a timely manner as others will be waiting to do the same. If you see someone needing help - women on their own with multiple dogs etc - please help them out if you are able. It will be appreciated by all waiting.

AP will be providing Marshalls at various points around the RSPCA grounds that can assist and provide directions. **Please take care when driving through the site, 20 is the speed limit and we don't want our Marshalls ran over, they are also our Stewards so we need them!**

The Wacol site is fully operational and as such, Flyball vehicles must at all times give way to RSPCA vehicles (particularly inspectors and animal ambulances) and be mindful of RSPCA personnel (staff/volunteers) moving around the site/walking dogs.

No animals are permitted within the café service area (outdoor dining area is completely fine). **Flyball participants/spectators/customers must only access designated event areas/public access areas only.**
