- All racing will be conducted under the rules and regulations of the Australian Flyball Association

## Changeover Times

Teams will have **90 seconds** from the end of the preceding race to have their box and jumps set up, warmups completed and be ready to race.

The Judge must be advised when there is a clash.

Where there is a clash, in order to reduce delays, the Judge may start the warmup timer when both teams have at least 3 dogs in the ring. The Judge may, on Team Captain request, give dispensation for (only) the outstanding dogs to complete their warm up after the timer has expired.

## Stewarding

All teams are requested to participate in the stewarding throughout the day to ensure the smooth running of the competition.

## Lunch Time training

Training in the ring will be permitted for beginner dogs in accordance with AFA Policy. Dogs must be registered with the AFA and have registered with the competition organiser at the Timing Table.

Entries will be limited to 10 sessions of 5 minutes each.

## **Things to be aware of**

Racing will be conducted undercover and on mats.

Parking is available close to the racing area.

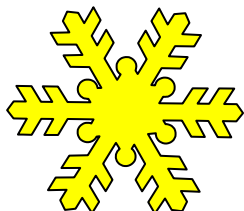

Teams must make their own arrangement for shelter as there is not enough undercover space to accommodate all teams.
