

FLYBALL AT THE
HAWKESBURY SHOW

30TH APRIL 2023

Warami Mittigar. Hello friends. The members of Norwest Flyball Club would like to acknowledge the traditional custodians and protectors of the Darug and Darkinjung country on which we gather together today. We also acknowledge any First Nations people that are present at our event, and those that continue to make up the many nations across Australia. We pay our respects to the Elders past, present and emerging, for they hold the memories, stories and futures of the oldest, continuous culture on the planet. May we continue to reconcile, honour, respect and enable their culture and preserve and protect their land and waters.

Green bananas - a performance and health wonderfood!

Did you know that every part of your body and its performance is affected by your gut health? This makes a happy, healthy gut one of the most important assets we have. This applies not just to us, but to our dogs too! B-Complete, made by Banana Feeds Australia, is the first on the market to make a canine performance and gut health supplement that is 100% natural.

B-Complete is made entirely from green bananas including their pulps, skin, stems and flower ends. Bananas have long been known as one of the most important food crops on the planet and are a healthy source of fibre, potassium, vitamin B6, vitamin C, and various antioxidants and phytonutrients.
