

Euroa Flyball Euphoria 2014

~ Important Information for Competitors ~

Please find below important information relating to "Euroa Flyball Euphoria" that needs to be passed on to all people attending.

- Date:** Saturday 25 October 2014
- Times:** **Gates Open:** **7.00am – no vehicles to enter before this time**
Check-In: **8.15am – 8.45am**
Racing Starts: **9.00am**
- Venue:** Euroa Showgrounds, Charles Street, EUROA *(see map)*
- Entry Gate:** Access is from Charles Street (opposite Garrett Street) – **this is the only gate that is to be used. Do not enter from Boundary North Road.**
- Access:** Only **one (1) vehicle per club** (eg vehicle with equipment trailer) may enter the competition grounds for the purpose of unloading equipment as the access area is very limited. The conformation dog show competitors will also be trying to access the area for setup. Vehicle must display the pass which has been emailed to the club contact person. **All other cars will be refused entry and asked to leave immediately.**
- Please unload equipment and remove cars immediately to the parking area outside of the gates and then come back to set up. All cars must be removed from the showgrounds by **8.30am**.
- Competitors will need to park outside of the showgrounds and carry in equipment that has not been included in the equipment trailers.
- Entry Pass:** All handlers and officials will need to print a copy of the entry pass to ensure they are able to gain access to the showgrounds at no charge. If you do not have a pass, you will be charged an entry fee at the gate.
- Car Parking:** Parking is available on the grass verge on Charles Street outside of the grounds. Parking for trailers is hopefully being arranged on some adjacent property (see map) but will not be confirmed until closer to the date. There are to be no vehicles left inside the grounds.
- Dog Trailers:** Unfortunately there is no space for dog trailers inside the grounds unless you can fit them into your team area. We apologise for any inconvenience.
- Space Allocation:** Space is limited so clubs will be allocated space based on the number of teams entered (eg 1 team = 10 foot x 20 foot and 2 or more teams = 20 foot x 20 foot). This is the space taken by 1 (1 team) or 2 (2 or more teams) of the large carport size canopies.
- Catering:** There are food stalls available within the show.
- Duration:** 16 teams have entered across 5 racing divisions. There will be **48** races for the day with a 90 second changeover. We are anticipating that racing will finish at approximately **3.30pm**. Presentations will follow.

If there are any queries, do not hesitate to contact me on 0490 059 109 or email spoiltlabs@yahoo.com.au

I will be onsite from Friday afternoon to set up and will have mobile access to emails.

Regards

Emma

FLYBALL AREA

Racing Lanes will be parallel to the left hand fenceline

Teams will be near the entry gates and large shed shown on map.

Trailer Parking – we were able to utilise some private property last year for trailer parking and hoping to be able to do the same. Unfortunately this will not be confirmed until closer to the event.
