The Rules at KCC Park

- Dogs must be kept on lead at all times unless in the fenced off-lead areas or swimming in the dam (but please put your dog back on the lead as they exit the water)
- If the fenced area is obviously being set up or used for either Lure Coursing or Herding, the entire area is out of bounds for all other usage.
- If a member is already using the area at any other times, please wait until they leave before entering with your own dogs.
- Please read the conditions of use displayed near the entrances
- Pick up after your dogs, using bags and bins provided.
- Please be considerate and give others a turn if they are waiting. We suggest 15 minutes is enough; you may be able to come back later after taking a pleasant lead walk around the rest of the park and resume your free running.
- Please note that the small fenced area is primarily for small (toy) dogs and they have priority in this area.
