This AFA sectioned event will be run in accordance with the Rules & Policies of the Australian Flyball Association. We will also be using the “Count Back Rule” - Count back based first on head-to-head race wins during competition. Where more than two team are tied, the count back for each team shall be the total race wins scored against all the teams that are tied (the combination of wins); if the teams are still tied, then the fastest heat time head-to-head decides the winner.

# Reminders

Club trailers, dog trailers and cars MAY NOT BE permitted onto the grounds for this competition depending on weather. Unfortunately, the grounds where cars and trailers drive is deep with mud and driving on it is unsafe and will damage it further. Both carparks are fine to use however if this distance is a problem carrying your equipment, please bring a trolley or arrange for your equipment to be brought up with help. Frankston Dog Obedience Club and Frankston City Council thanks you for being respectful in your interactions with its members, facilities and grounds. Abusive behaviour will not be tolerated.
