RULES

This AFA sectioned event will be run in accordance with the Rules & Policies of the Australian Flyball Association.

We will also be using the "Count Back Rule" - Count back based first on head to head race wins during competition. Where more than two team are tied, the count back for each team shall be the total race wins scored against all the teams that are tied (the combination of wins); if the teams are still tied, then the fastest heat time head to head decides the winner.

RAFFLE

As always, there is an awesome raffle on offer, please see the presentation area for prizes. Get your tickets!
