Gavin was a great little height dog who loved his flyball. He was a key member of our Ballarat Eureka Diggers team from the time he started flyball until his last competition this year. He was small and fast (for a Cavalier!) and a key member of our teams which won the 2011 and 2012 National titles.

Dodger just loved balls. A chocolate Labrador, he had a unique jumping style (flip flop?) and as can be seen, 7 inch jumps posed no problems. Dodger was a member of our winning 2011 National Titles team.

Both Gavin and Dodger competed in multiple competitions and National events all over Australia - Adelaide, Sydney and Melbourne Royal Agricultural Shows. Gavin was even flown to Brisbane to compete at the Nationals when it was held at Redcliffes (Brisbane) one year and of course all over Victoria. They both loved it!!

And because of flyball they both had the best life a dog could ever have wished for.
