Race Meeting Information

The Inaugural Supersonics Ipswich Cup will be held indoors at Ipswich Showground on Saturday 18th and Sunday 19th February 2017.

Entry Fee is \$140 per team, the AFA Levies are \$30 per team and the remaining \$110 per team will be donated to Working Breed Rehab (WBR).

Ring size will be 12m X 33m.

Crating area is inside building and will be fenced off from the public, for teams not wanting to crate inside the building there is a carport area not far from the pavilion and is only available on the Saturday, teams crating outside the building will need to have one of their members in their crating area at all times.

The Awning area attached to the building is for catering only and no one is permitted to crate their dogs in this area.

The Pavilion has a massive area of louver windows at each end of the building that will be opened to provide cross ventilation as well as doors (7 in total, ranging from 2.5m to 5m in width) that can be opened to keep the temperature to a manageable level should it be hot outside. There are toilets located within the Pavilion.

The event is a public event with grandstand, food vendors and pet related retailers, entry for the public is a Gold coin donation to Working Breed Rehab (WBR), WBR will also be hosting the BBQ as a fund-raising venture with all funds going to WBR. There will be music played in the pavilion between races and during brakes.

Prizes will be Rosettes for First place in Each Division of the regular race meeting, Trophy's and Prizes will be awarded for the winner of the Champions Trophy.

It is a condition of entry to the event that competitors will be courteous and friendly with all non AFA members attending the event, if any AFA member has a problem with a non AFA member you are required to notify the AFA Rep, Race Meeting Organiser immediately, no AFA member is permitted to argue or engage in any conversation with the public or media unless it is courteous and friendly.
