Rules

This is an AFA sanctioned event and will be run in accordance with the ***Rules and Policies of the Australian Flyball Association Inc.***

This competition will use the 'Count Back Rule'

Count back based first on head to head RACE wins during competition (where more than two teams are tied, the count back for each team shall be the total RACE wins scored against all the teams that are tied (the combined number of wins)); If two teams are still even – then the fastest heat time head to head decides the winner.

Lunchtime Activities

12:30 Social Lunch

Please grab your snags and drink and come and join us for a social lunch in the communal area set up. Grab a chair if you're quick enough – or bring your own chair and come for a chat and a laugh as the Victorian flyball community gets together.

12:55 Best Dressed Announced

While you finish off your lunch, listen for the announcement of our best dressed 'Australia Day Theme' costume competition winner. Costumes will be judged during racing before lunch.

1:00 handler races

Each team is invited to enter one handler team. These people need to be handlers at the comp who are on the timesheets. Teams are to meet at the ring at 1:30 sharp for the

1:15 kids races

All kids are invited to come along and get involved in some fun activities. Meet at the ring and follow the directions of the marshal.

1:30 Cricket

Join in the fun in a traditional game of Aussie backyard cricket.

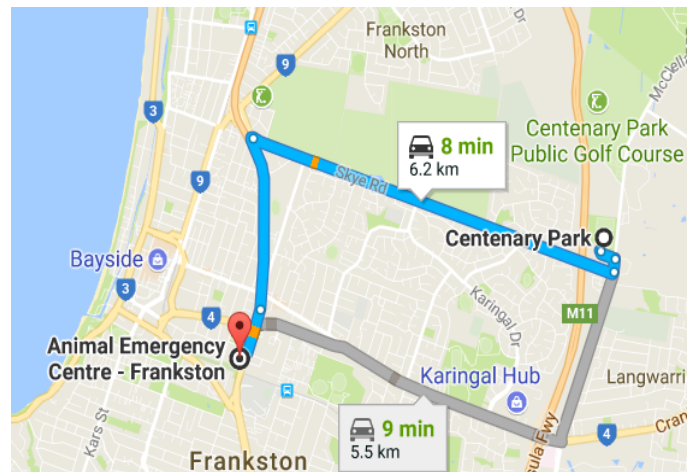

Backyard rules apply:

- Who ever gets the batter out gets to bat (if they have already had a turn they can nominate someone else – remember to share it around folks!)
- bowler bowls 6 balls and then a new bowler must take over
- if you hit it over the fence it's a 6 and out (and you have to go and get the ball – same rule applies if you hit some ones car or tent!)
- make sure to include the kids
