WELCOME

On behalf of the Norwest Flyball Club, the Thunderdogs welcome you with open arms to the 26th Australian Flyball Association's National Championships held right here in the beautiful Hawkesbury region.

This year we travel from many places across Australia to come together, setting up camp and competing at the Hawkesbury Showground. We acknowledge that we are gathering on the lands of the Boorooberongal of the Dharug Nation. We pay our respects to the original farmers, environmentalists, families and knowledge holders of the beautiful and ancient Hawkesbury Region and acknowledge all Aboriginal and Torres Strait Islander people who are joining here on Country for this event.

Tiati murra Daruga pemel. This is Darug land.

This year, we have 48 Teams from all over Australia converging at the Hawkesbury Showground, all vying for the honour and prestige of taking out their Division and traveling home with that huge Divisional Champion trophy!!

Racing will take place over two days this year, seeing both regular and open teams competing both days. The racing will be indoors ensuring any unwanted weather changes will not affect the event. As many of you would have experienced in 2022, Hawkesbury Showground have a fully enclosed pavilion which will host two rings side by side.

The Thunderdogs have some wonderful sponsors for this great event, we thank them for their generosity & support. For those looking to spend some cash, there will be plenty of shopping onsite with our merchandise stand and stallholders located both within and outside of the pavilion.

This year, we are not hosting a formal dinner but are lucky enough to be surrounded by some fantastic places for dinner in the Hawkesbury. Why not try out the Macquarie Arms Hotel in Windsor, under a ten minute drive away. Established in 1815 and Australia's oldest pub!

Hosting a Nationals is a mammoth task, one in which I wholeheartedly thank the Thunderdogs, the officials and all our helpers that make this event so successful.

Let us not forget daylight savings time change, we will be moving our clocks 1 hour Forward on 6 Oct 2024, 2:00 am. Run hard, run fast and most of all, have FUN!
