First Race: Berwick Show 2019
Final Race: Australian Flyball Nationals 2025

Kona began her flyball journey in 2018 when our daughter Carly took her to a beginner's flyball class "because she was bored waiting for my agility lesson to finish."

What started as a way simply to pass the time, quickly became a passion and Carly kept returning to training. It wasn't long before Kona was training with the competition dogs. Together, Carly and Kona became quite the formidable team, attending numerous competitions and building a strong partnership.

Then came 2020 — the year of COVID lockdowns — our beautiful Carly passed away.

When competitions resumed, Brian stepped in as Kona's handler, taking her to training and events. He often said he had "gained a readymade flyball dog in Kona," and in 2021 Kona earned the club's Most Improved Flyball Dog award.

A major highlight came at the 2023 Canberra Flyball Nationals, where Brian and Kona were part of the winning Division 5 team, proudly bringing the perpetual cup home to the clubhouse.

As Kona grew older, the conversation about retirement became inevitable. But not before one final competition — the Flyball Nationals in Geelong. Once again, Brian and Kona were part of a winning team, this time in Division 3, securing another perpetual cup for the club.

She leaves behind a stellar flyball career and now enjoys a well-earned, injury free retirement.

I have included a little YouTube video of Carly and Kona training at flyball.
