Frankston Storm's Easter Flyball Competition

Saturday the 19th

We would like to thank the following officials for making this competition possible.

Judges: Gordon Chalmers & David Strang

Time Keepers: Carly Sorenson, Lauren Monohan & Amy Dunn

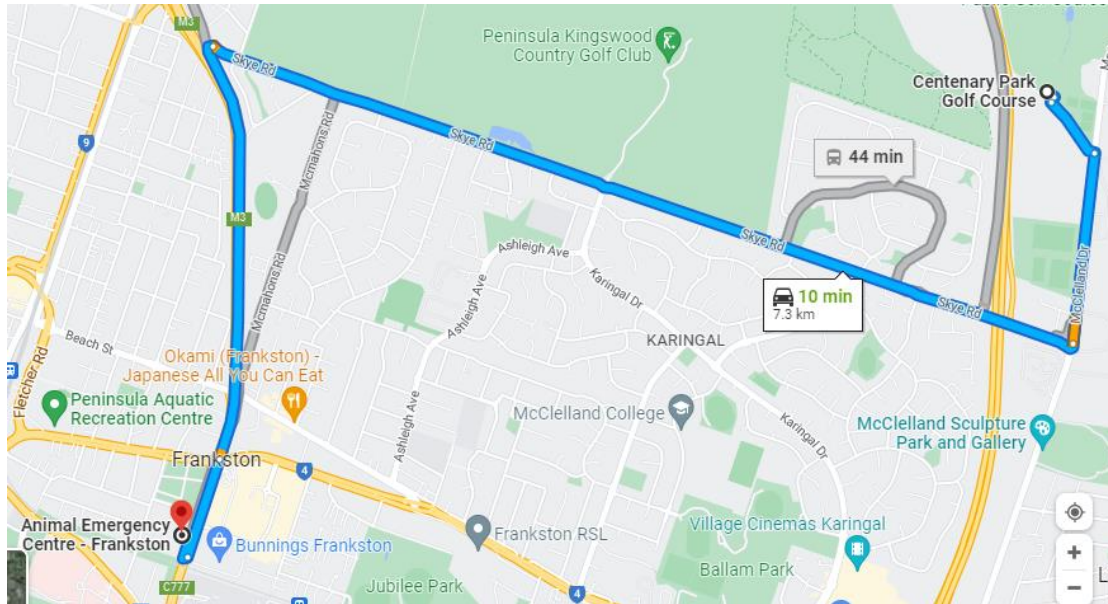

AFA Rep: Josh Ellen

This AFA sectioned event will be run in accordance with the Rules & Policies of the Australian Flyball Association. We will also be using the "Count Back Rule" - Count back based first on head-to-head race wins during competition. Where more than two team are tied, the count back for each team shall be the total race wins scored against all the teams that are tied (the combination of wins); if the teams are still tied, then the fastest heat time head-to-head decides the winner.

On the Fly 2018 – On the Fly 2024

Stormy is a little flyball lover. She took to flyball like a natural, it was her calling in life. She made it look easy. The first flyball dog to her humans, this girl showed her love of the sport. Being highly reactive and stressed, she was only ever meant to do flyball for fun with no intention of competing. However, it was hard to say no when the joy she experienced at training and positive behaviour changes that resulted became obvious. Flyball was Storm's safe space, a place she could interact with other people and dogs and not feel stressed or anxious. Within 12 months Storm was ready for racing, and she never skipped a beat. She was a solid flyball dog, nothing could stop her. Storm's flyball career came to an end following an injury that saw one of her shoulder ligaments deteriorate beyond repair. Storm now enjoys a comfortable home life although she misses flyball very much!

This also serves as a reminder to all that not all injuries are visible and our flyball dogs will do anything to keep racing.

VALE Tracy

Tracy Luther was a friend to many and a team member to all.

Always had smile and a heart of gold. Tracy showed dedication, determination and a drive for success in every aspect of her life.

Tracy was a member of FDOC since 2019 and the AFA since 2023. Raffles raced in his first and only meet in 2023 at the Frank n Weiner Party, gaining his first title Flyball Dog (FD). Tracy never gave up on Raffles. She trained every week in the hope that one day Raffles will race with his teammates once again.

Important News

Parking on the day

Due to a alternative ring location due to the condition of the grounds, no cars are to be parked on the ground. Those with a trailer are to follow the direction of a volunteer who will show where trailers can be unhitched. Please enter via the main asphalt carpark and you will directed to which gate you can enter.

Gazebo Set up

At this stage, due to the terrible condition of the flyball pen, teams are to set up in the flyball pen or the agility area adjacent to the flyball pen as the racing ring will be taking up the usual gazebo spots.

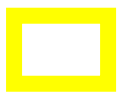

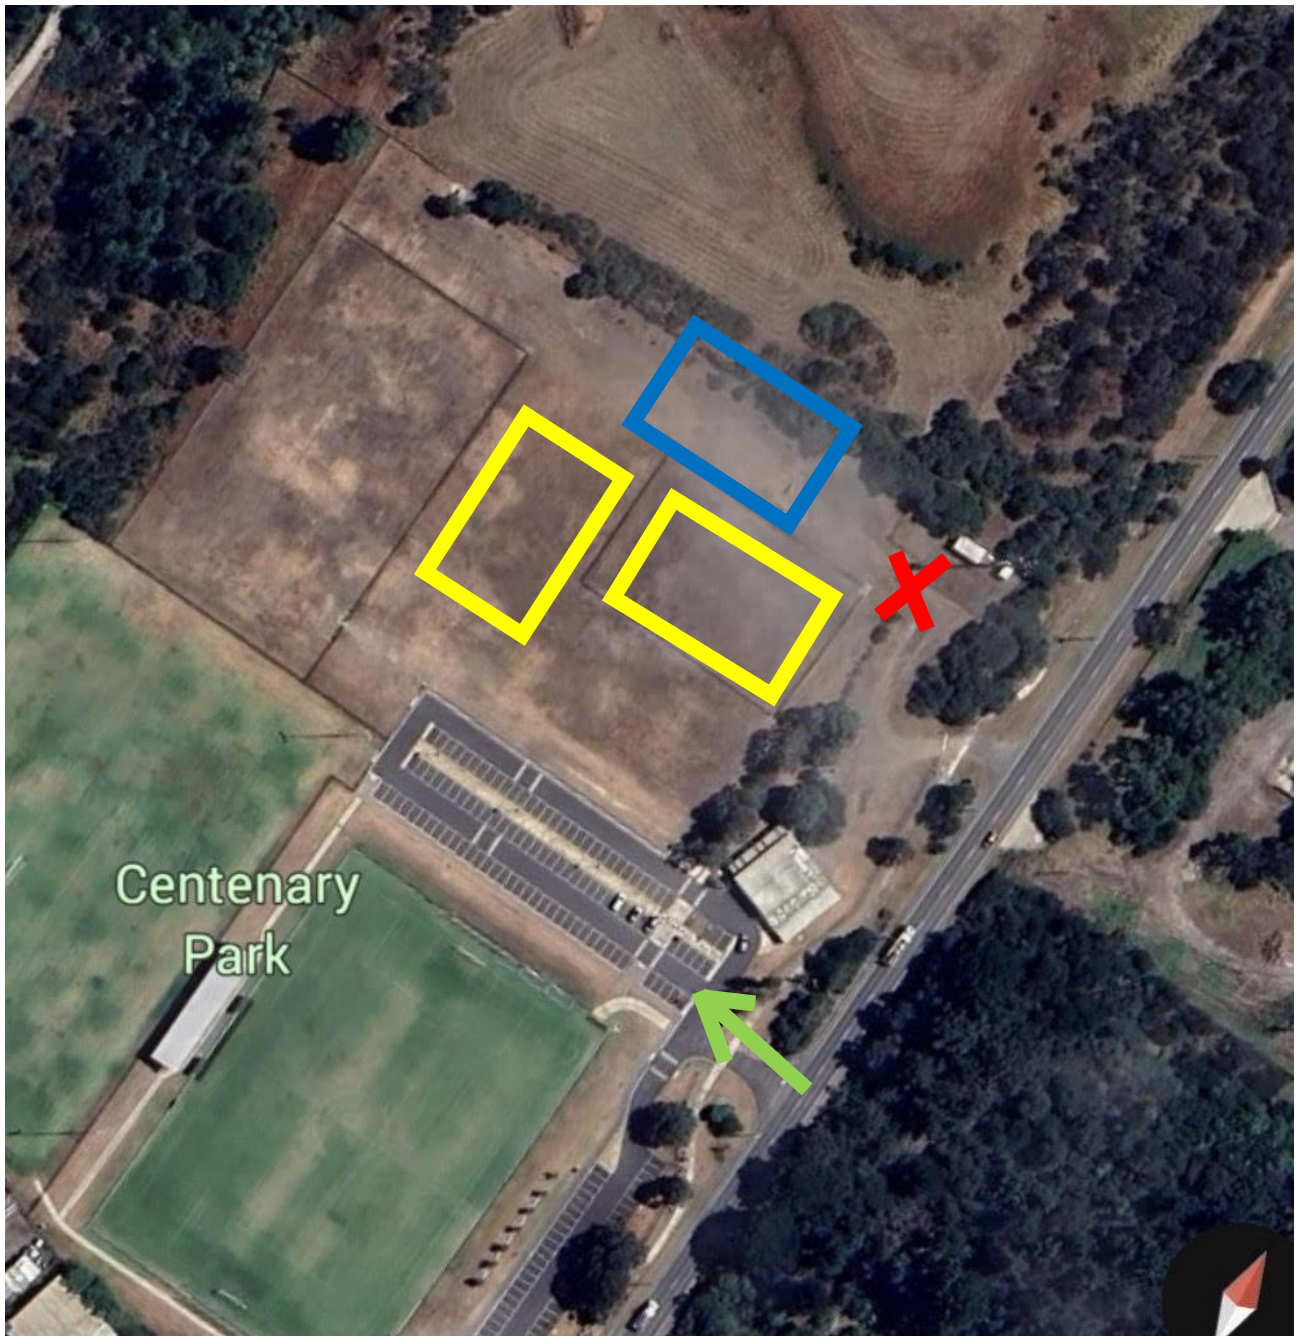

Damage to trees

All flyballers to be aware that after our previous comp, a number of newly planted trees were damaged along the fence line by reversing cars/trailers. This was noticed by the local council and resulted in a please explain for the FDOC. Incidents like this do not help our cause if we wish to have continued use of the grounds and the ability to park and set up. A reminder to all to please be careful when driving/parking on the grounds and to treat them with respect. If an incident occurs notify a member of Frankston straight away so we can resolve it.
