BENDIGO SHOWGROUNDS
26-27 SEPTEMBER 2026

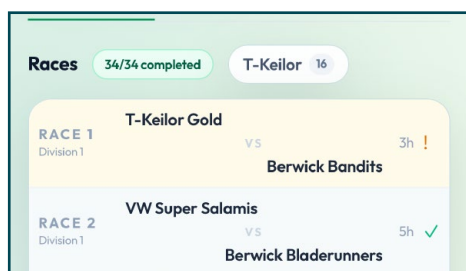

THE DOGHOUSE

doghouseportal.com.au

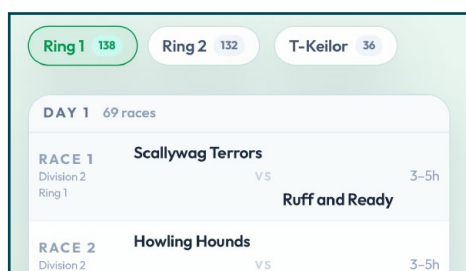

Entering Your Teams

Team captains please make sure you enter your dogs before each race, in the order they'll be running in. Tablets will be set up at the timing table if you don't wish to use your own device for this.

At the End of a Race

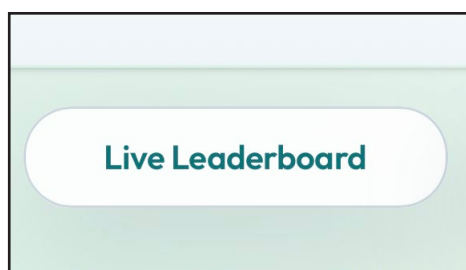

When your race is done, team captains please go back into Doghouse and assign any re-runs or faults. False starts and early crosses will be picked up by the EJS. Dropped balls, missed jumps and re-runs need to be assigned to the dog by the team captain.

Raceboard

Use this to track where racing is at, like flyball geek at previous nationals.

See who's in the ring, who's in the hole, and who's on deck.

Live Leaderboard

See where your team is at with real time leaderboard tracking throughout the weekend.

WELCOME TO NATS

On behalf of T-Keilor Flyball and Keilor Obedience Dog Training Centre, it is my great pleasure to welcome you to Bendigo, and to the 28th Australian Flyball Association National Championships!

T-Keilor has been competing in flyball since 1996, so it has taken us a mere thirty years to get around to hosting a Nationals. We hope you will agree it was worth the wait.

This year 46 teams from 21 clubs across the country have made the trip to central Victoria, bringing nearly 300 dogs with them. All chasing a Divisional Champion trophy, a medal, and bragging rights that will last until roughly this time next year. Regular and Open class will race side by side on two indoor rings across both days, so there is no excuse for missing your friends' races, and no hiding from your captain either.

Bendigo in late September can serve up all four seasons before lunch, so the whole event lives under one roof: both rings, the team areas, the stallholders, the raffle table and, most importantly, the coffee. Your dogs will still manage to find the one puddle in the car park though. For those with long memories of Hawkesbury, relax: daylight saving doesn't start until the following weekend, so nobody should be turning up an hour late on Sunday. Bendigo traffic remains a valid excuse for approximately no one.

We gather this weekend on the lands of the Dja Dja Wurrung people, and we acknowledge them as the Traditional Custodians of the Country on which we race. We pay our respects to Elders past and present, and extend that respect to all Aboriginal and Torres Strait Islander people joining us in Bendigo, whether competing, officiating, or cheering from the sidelines.

Once the racing is done on Saturday, join us back at the pavilion for dinner from Crooked Kitchen and a trivia night with Quiz Meisters. Bring your best team name and your most confident wrong answers. It is also your

best chance to work out which club has been quietly hiding a pub quiz champion all these years.

My sincere thanks go to our Organising Committee, who have spent the better part of a year on floor plans, spreadsheets and a merch store that got slightly out of hand. Thank you to our Officials, who have travelled from six states and territories to keep two rings (hopefully) running on time all weekend. Please be kind to them. They are volunteers, and they have not had enough coffee either.

Thank you to all our amazing sponsors for their support. Thank you also to the many businesses who have donated to what is shaping up to be a raffle table the size of a small pet shop, and to our stallholders, who have kindly agreed to relieve you of your spending money. Please support them all; they have been very good to us.

Finally, to every handler, box loader, ball shagger, runner and long-suffering team captain: thank you for coming. Race hard and run clean, but somewhere between the heats, remember why we all started this in the first place. Flyball is an opportunity to play with our dogs, and they couldn't care less about seed times or divisional placings. They just want the ball, the run, and you at the end of it. Have fun, and may the best team win. If that turns out not to be your team, may you at least have the best trivia score.

Drew Harrison

RACING INFO

Check in: 7.30am

Judges Briefing: 8am

Racing Starts: 8.30am

AFA Rules and Regulations apply

Changeover Times

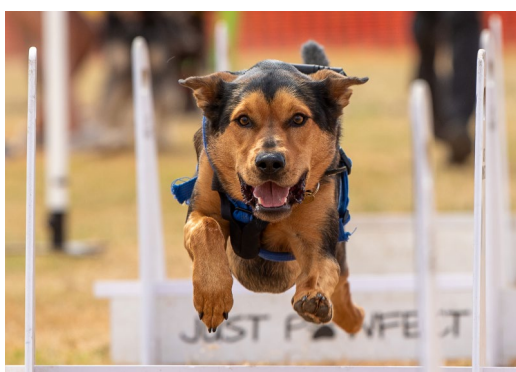

Teams will have 90 seconds from the end of the previous race to have their box and jumps set up and ready to race.

The judge will endeavour to indicate when there is thirty (30) seconds of the changeover time remaining and may forfeit a team if they are not ready on time.

Tied Placings

In the event of a tied place result will be decided by countback.

Stewarding

All teams are requested to ensure that all rings are staffed with stewards so that the event runs smoothly and retains the interest of the general public.
