# WELCOME

Welcome to Geelong, Victoria, for the 2025 Australian Flyball Association National Championships, for a thrilling weekend of teamwork and speed.

Geelong, known as Djilang by the Wadawurrung people, meaning “a tongue of land”, is part of Wadawurrung Country, and the Wadawurrung people are the traditional owners of the land, including City of Greater Geelong and surrounding areas. We pay our respects to the Wadawurrung people and all Aboriginal and Torres Strait Islanders.

Tassie Flying Paws Dog Club has taken on the task of organising on behalf of the Australian Flyball Association with some trepidation, knowing we don't live in Victoria.

At the close of entries, we were blown away by the number of team entries; 45 teams are significantly more than we were expecting. A lesson learnt is that the AFA family wants to attend the Nationals for competition and socialisation wherever they're held.

So, a big thank you to all the Clubs for entering teams; in fact, we have teams and members from every flyball jurisdiction, which is outstanding. The support shown is humbling.

Of the 45 teams entered, we have 31 regular teams and 14 open teams. The representation from the states and territories varies from 54% to 100%, with 71% of all Clubs in Australia attending.

Racing will be over two days, with regular and open teams competing over those days. This year, divisions have been assigned to a single ring with the same judge presiding. This is a variation from previous years, and we are keen to see how it operates.

This year, we are introducing some new sponsors to the Nationals and the sport of flyball, who have been generous with their support. We have stallholders on board as well to tempt you with their wares. We have our special Nationals merchandise being supplied by Sport Centre. Stallholders will be located outside the arena at the Exit end.

Catering is being managed by the Showmen's Café, which will be serving breakfast, lunch, and dinner on Friday, Saturday, and Sunday. We welcome Ashley and his team to the Nationals.

We have a significant number of members and their dogs camping at the showgrounds, and we look forward to the chats, the laughs, and the camaraderie on show. The layout of the site has allowed us to group clubs/teams in the camping and gazebo areas to give access to the rings, stallholders, and catering.

An event like the Nationals is a significant undertaking, and this year is no different, but had the added dimension of the organising club not being in Victoria has been a challenge. A special thanks to the members of the Tassie Flying Paws Dog Club for taking on the task of preparing and organising the 2025 Flyball Nationals on behalf of the AFA.

An event of this nature needs the support of members, officials, and volunteers, so thanks to everyone. Now that you have gathered in Geelong, enjoy your time, enjoy the racing, enjoy the socialisation, and you are a winner regardless of where you place.

Enjoy your weekend.

David - Chair

2025 Flyball Nationals Organising Committee

## EVENT SCHEDULE

Dates: Saturday 15th - Sunday 16th November 2025

Venue: Geelong Showgrounds, Victoria

## THANKS

An event of this nature does not happen without the dedication of people who come together with a single focus to deliver an outcome, the Flyball Nationals.

As an organising committee, we have worked hard over a short period of time to put together a functional Flyball Nationals.

The first task of finding an indoor venue in Victoria took some time, and that ultimately delayed progress on other matters.

We thank the Geelong Showgrounds management, Michelle and her team, for being forthcoming with their assistance.

The Tassie team, well done, on organising sponsors, stall holders, merchandise, logos, raffles, catering, camping, logistics, catalogue, ring and gazebo setup, parking, social media, prizes (division and special), officials, welcome bags, pins and medallions. Plus, the many other tasks that underpin organising an event of this nature.

On social media, we have been astounded by the followers and engagement. We hope you have enjoyed the light-heartedness of the posts.

There were several others outside of the Club who assisted or undertook roles to assist the organisation of the event:

- Josh Ellen, who assisted with division splits and the running order
- Robyn Addie, Richard Mellon, and Michael Ashton as authorised approvers
- Richard Mellon for his assistance with timesheets
- Ben Royes for live streaming
- Drew Harrison as the Victorian organiser.
- Kylie White and Ben Royes for transporting the mats to Victoria.

Document Management Tasmania for subsidising the production of this catalogue.

This event couldn't have happened without the generous support of our sponsors, who have contributed in excess of \$20,000 in product and services, either as prizes for the event participants or as prizes for the raffles. So, a huge thanks for supporting the Club at the 2025 Flyball Nationals.

## OFFICIALS

We appreciate our officials who have committed to the Nationals, who will ensure the event runs smoothly. Thanks for your support.

## PLATINUM SPONSORS

We are very fortunate to have a fantastic first-time sponsor in Ferguson's Treatos, who have come on board to sponsor division placings across all divisions. We thank Fergus and his hoomans for supporting the 2025 Flyball Nationals and look forward to catching up with them at their stall.

### About Fergus

My name is Fergus and I am a 42kg Groodle (that's a poodle crossed with a golden retriever). I don't have thumbs, I can't type, so I get my hooman slaves to do all the hard work for me.

I just sit here pretty and taste test everything so I can recommend the best treats for your puppers to eat. Is that the best job ever? Can confirm it really is.

At Ferguson's, we make air-dried dog treats.

There are 3 things you need to know that make our dog treats special:

1. Our treats are **super delicious** (the expert dog people call it "High Value")
2. Everything at Ferguson's is made from **natural ingredients**, making our treats **healthy and nutritious**
3. We help **reduce landfill waste** by turning meat and seafood offcuts into these delicious dog treats!

After many hours of me taste-testing, I really hope your doggo can [try our Treatos](#). I know it will make your day to see your dog so happy eating something this delicious.

If you want to get to know me more, say hello [here!](#)

Or you can follow my adventures on Instagram [@fergusons.treatos](#)

Lots of love,  
Fergus

## RACING INFORMATION

### Changeover Times

Warm-up times will be 90 seconds. This time will commence once both boxes are in place and teams are ready.

Teams may only enter the ring once indicated by the Judge, and previous teams have exited the ring.

The Judge will indicate when there are thirty (30) seconds of the changeover time remaining, and may forfeit a team if they are not ready on time.

### Tied Placings

In the event of a tied place, the result will be decided by countback.

### Stewarding

All teams are requested to ensure that all rings are staffed with stewards so that the event runs smoothly.

-----AFA Rules and Regulations apply-----

## END OF NATIONAL RACING DAYS

Message from Tassie Flying Paws President – David Strong

AND THAT'S A WRAP!

A huge thank you to my club and support network, The Tassie Flying Paws Dog Club, and our Tassie Flying Paws Organising Committee for getting this event off the ground. An extended thank you to all our club members and volunteers who went above and beyond to make this event a success. Without your effort and enthusiasm from Tassie, it would not have been possible to host the 2025 Flyball Nationals here in Geelong.

**Proudly hosted by  
Tassie Flying Paws Dog Club Inc.**

**The AFA would like to thank all sponsors and  
competitors for their time and contribution to  
the Flyball Nationals competition  
2025**
