

## **Second call for expressions of interest in hosting the 2018 AFA National Championships.**

As at the original close of nomination date for expressions of interest in hosting the 2018 National Championships no nominations had been received.

The Committee would accordingly like to extend the date for nominations until end July 2017. Nominations can be submitted by a single club or a by multiple clubs.

Clubs willing to consider making a nomination are encouraged to read the Guidelines for Hosting a National Championship document on the AFA Web site as it outlines all of the matters to be covered in your submission. Nominations will be considered by the Committee at its August Meeting.
