#	Description of Notification	Date	Current status
---	-----------------------------	------	----------------

<p><b>52.</b></p>	<p><b>AFA Rule Notification No 52</b></p> <p>This rule Notification deals with the following:</p> <p>1. Adoption of an On Trial Rule dealing with requirement for Branch structured clubs to treat each regional branch as a separate club/team for purposes of Rules 1.0 and 2.4. More complete information regarding this matter can be found in the April 2015 AFA Committee Minutes.</p> <p>The new On Trial Rule will apply effective from 1<sup>st</sup> July 2015. The Committee has also determined that the On Trial Rule will be submitted to the AFA membership for ballot as part of the 2015 AFA AGM process. This will give all AFA members the opportunity to vote on adoption of the Rule or not.</p> <p>On Trial Rule amendment :</p> <p>“Section 2.7 Definitions – add</p> <p>A Club/Team for AFA membership and racing purposes shall consist of an affiliated entity to which members and their nominated dogs are recorded as members. Each branch of a branch structured club (Clubs registered as operating in more than one State/regional area of Australia) shall be treated as a separate Club/Team for affiliation and racing purposes and shall be subject to the requirements of Rules 1.0 and 2.4. “</p> <p>2. Clarification regarding correct process to be followed where a Team has a “clash” as a result of back to back races at a competition.</p> <p>Where a team recognizes that it has a clash and will not have all team members ready to enter the ring for a race it should immediately inform the Judge that there is a clash and not enter the ring to start its warm up. The Judge will inform the other Team of the clash and will delay the start of the warm up period for both teams. When all team members are present the Team Captain should inform the Judge that the Team is now ready to begin warm up. Both teams will then be advised by the Judge to start their warm ups.</p>	<p>April 2015</p>

------------	---	------------	--

#	Description of Notification	Date	Current status
<b>60.</b>	<p><b>AFA Rule Notification No 60</b></p> <p>This rule Notification deals with the following:</p> <ol style="list-style-type: none"> <li>1. Adoption of On Trial Rule Amendment re additional wording added to Section 9.4 dealing with taping of dogs (other than leg wrap) not being permitted.</li> <li>2. The adoption by the AFA of a set of Extreme Weather Guidelines to be taken into account by event <b>organisers</b>.</li> </ol>	May 2016	

<p><b>61.</b></p>	<p><b>AFA Rule Notification No 61</b></p> <p>This Notification deals with the decision taken at the November 2016 Committee Meeting to abolish the rear inbound stewards position on a “ON Trial” basis effective from 1st December 2016. For competitions scheduled after 1st December 2016 there will be no requirement to have rear steward in place.</p> <p>The following are the amendments to the Rules relating to this change:</p> <ol style="list-style-type: none"> <li>1. Section 10.1 (a) amend to read One Judge, Four (4) stewards and etc;</li> <li>2. Section 10.1 (b) delete “one (1) inbound steward shall be positioned (sitting) in the middle at the rear of the ring in the inbound area.”</li> <li>3. Section 10.1 (c) deleted from line 1 and 4 the words “inbound steward”;</li> <li>4. Section 10.1 (d) delete the words “the inbound steward” from line 6.</li> <li>5. 10.3 (g) – delete sub para and renumber following sub paras.</li> <li>6. 10.3 new (i) delete the words “inbound steward and” from line 1.</li> </ol>	<p align="center">November 2016</p>	
<p><b>62.</b></p>	<p><b>AFA Rule Notification to Members No. 62 – March 2017.</b></p> <p>This Rule Notification deals with the following two matters:</p> <ol style="list-style-type: none"> <li>1. Consideration of the existing Rules dealing with display of the dogs CRN. Given that each competing dog’s CRN information is available on each team’s timesheet consideration was given as to whether there was a need for a handler to display the dogs CRN as per the current rules. Given the increasing prevalence of dogs being run by members with a different membership number to the dogs CRN, consideration has been given to the rule being amended to require each member to display their membership number so that judges and other officials could be assured that all people running dogs were financial members of the AFA. In most cases it is the members CRN that is currently displayed.</li> </ol>		

	<p>Consideration was also given to the application of section 5(h). Section 5(h) makes provisions for a team to forfeit a heat where a member, after being notified that they must display their dogs CRN, is later found to still not be displaying that CRN. It was suggested this provision was no longer required.</p> <p>It was decided by the Committee that on an On-Trial Basis from April 2017 the following rewording apply to Rule 5 (g)</p> <p>“All competitors will display their membership number whilst racing. The membership number must be of a suitable size to be easily read by the Judge”.</p> <p>The Committee also decided on an On-Trial basis to delete section 5(h) dealing with penalty.</p> <p>Both proposals were viewed to be changes to the rules and therefore needing to be treated as “On trial” effective from April 2017.</p> <p>2. The second matter related to Microchipping of dogs. The committee discussed the application of the current microchipping requirements and the frequency with which these provisions are used. It was noted that there are several member jurisdictions that do not require dogs to be microchipped and hence members in these areas may not have microchips inserted.</p> <p>Furthermore, to the best of the sub committee’s knowledge, the checking of a microchip number has only occurred in extremely rare circumstances and is not actively applied. Accordingly, the Committee decided to delete the requirement in Section 6.2 to have dogs microchipped. Section 6.2 (b) was accordingly deleted on an On-Trial basis as was Section 6.2 (e) and the remaining paras renumbered.</p> <p>Both On-trial change to the rules effective April 2017.</p>
