

EXPLANATION OF CONSTITUTION AMENDMENTS

PREAMBLE

The Constitution of the Australian Flyball Association has not had a full review since it was originally written.

Given the issues arising from the changes in public liability coverage this year the Committee reviewed the Constitution to ensure the events being sanctioned were covered by our insurance policies.

As a result of this review other matters came to light such as

1. the Constitution referred to Acts that had been repealed since 2004
2. there were inconsistencies between rules
3. there were rules that were duplicated
4. references to meetings and committees could be improved by specific reference to the actual type of meeting and committee

The explanations for the changes are explained below by category.

MAJOR CHANGES related to INSURANCE COVERAGE

A review of the Constitution related to insurance and what events the Association was sanctioning revealed a potential gap in the events actually covered by the insurance policy. Therefore to provide assurance that all Flyball events undertaken either by the Association or Affiliated Association or a team of an affiliated Association are covered, such as promotion, fund raising, competitions, demonstrations and training days "Flyball Events" has been defined and the Objectives of the Association has been revised to ensure all Approved and Sanctioned Flyball Events are under the cover of the Insurance Policy.

An interpretation of Rule 4(b) (iii) is that the only sanctioned event is a competition; therefore there potentially could be no insurance coverage for demonstrations, seminars, promotional and fundraising activities or training days. The proposed changes remove this ambiguity with a definitive statement of what Flyball events are approved and sanctioned.

The proposed additions and amendments to the Constitution to affect the above change include:

1. Including in Rule 2(a) under Interpretation the definition of "Flyball events"
2. Amending Rule 4(a)(i) under Objectives by replacing "tournaments" with "Flyball events"
3. Replacing Rule 4(b)(ii) under Objectives by replacing "Participates in Flyball" with Conduct, participate in and support Flyball events"
4. Replacing Rule 4(b) (iii) under Objectives by replacing "Conduct and/or Sanction Flyball competitions" with "Approve and sanction Flyball events".
5. Amending Rule 4 (b) (vi) (iii) under Objectives by replacing "competitions, demonstrations and training" with "Flyball events".

These changes do not change the original intent of the Association's objectives and purpose, but provide clarity on what events the Association supports and sanctions and the process for approval.

Note: In accordance with the Constitution for these amendments to the Objectives be approved requires a 90% majority in favour of the changes.

REQUIRED CHANGES to changes in Acts

There are references to Acts or Sections of Acts that no longer exist within the Constitution and it is proposed that these references are corrected.

The Trustee Ordinance 1957 is referred to in Rule 4(c) (vi) and this has been repealed. The Parliamentary Counsel Office in the Australian Capital Territory was contacted and they provided the name of the replacement Act, which is *Public Trustee and Guardian Act 1985 (ACT)*.

A Section of the Income Tax Assessment Act 1936 (Cwth) is referred to in Rule 4(c) (vii) that no longer exists. The reference should refer to Division 30 of the Income Tax Assessment Act 1957 (Cwth).

The following amendments are proposed to the Constitution to address the incorrect references to Acts:

1. Amend Rule 4(c)(vi) under Objectives by replacing "Trustee Ordinance 1957" with "*Public Trustee and Guardian Act 1985 (ACT)*"
2. Amend Rule 4(c) (vii) under Objectives by replacing "paragraph (a) of sub-section (1) of section 78 of the Income Tax Assessment Act 1936" with "*Division 30 of the Income Tax Assessment Act 1957 (Cwth)*".

Note: In accordance with the Constitution for these amendments to the Objectives be approved requires a 90% majority in favour of the changes

INCONSISTENCIES between RULES and DUPLICATION of RULES

In the review it was found that there were rules which were inconsistent with other rules and that there were duplications of rules. So for ease of reading and clarity these have been amended for consistency.

The rule amendments related to voting>

Rule 22(i) is the same as Rule 23 under Voting. So it is proposed that Rule 22(i) refers directly to Rule 23.

Rule 23 requires amendment as the exceptions are incorrect. Under this rule resolutions at general meetings are carried by three quarters majority of those present except for exceptions.

One of the exceptions is incorrect and there is a missing exception.

The confirmation of a conditional suspension or dismissal of a Member of the Committee needs to be removed as this is not an exception. While the election of Honorary Life Members is by majority of greater than two thirds of the members present as defined in Rule 9.

The following amendments are proposed to correct inconsistencies and duplication:

1. Amend Rule 22(i) under General Meetings by replacing the entire existing text with "Voting at a general meeting will be conducted in accordance with Rule 23 – Voting".
2. Amend Rule 23(b) under Voting by replacing "the confirmation of a conditional suspension or dismissal of a Member of the Committee" with "or the election of Honorary Life Members".

REFERENCES TO COMMITTEES and MEETINGS

Throughout the Constitution there are references to committees and meetings together with references to the Executive Committee and General Meetings.
